Dear Hartmutt,

I spoke with Bob Carlson of PCNA this morning and he informed me that Porsche AG had confirmed that the Bridgestone SuperCup car will arrive in the US no later than March 15. This is very good news !

Please advise me as to the following :

1. Requirements for a deposit, shipping and duty
2. Agent for shipping, Porsche Motorsports N.A. or other ?
3. Port of entry, west coast or east coast.
4. Method of transport, air or ship ?

Additionally, I need to make sure that we receive the following additional items.

1. Drivers seat, large to accommodate different drivers
2. Extra passenger race seat and harness for passengers (to be shipped separately)
3. One spare set of 18" wheels
4. Workshop/maintenance manual
5. Color choices in order of preference: White
 Black
 Red
6. Any and all related special tools
